Wholesale Price List of
GREEN PLANTS
AND
ROOTED CUTTINGS

Salem, N. J., March 10, 1934

GREEN PLANTS. Our plants are propagated from especially selected roots, free from stunt or disease. They are from base cuttings, grown under moderate heat, are strong and stocky and thoroughly hardened before shipment. On and after May 1st we can ship plants to any part of the United States and guarantee them to reach you in good growing condition. They should be planted about five to six inches deep, well watered and shaded for a day or two.

ROOTED CUTTINGS. Our cuttings are well rooted, and are the same as those used in growing our strong plants, and although we have shipped them very successfully in our especially constructed containers for a distance of 2,000 miles, we do not guarantee safe arrival. All shipments at purchaser's risk. Orders for the Pacific Coast can be sent successfully by air mail, purchaser paying postage charges. Cuttings should be potted in four-inch pots, well watered and gradually brought to the sun. Now ready.

TERMS. Cash with order.

GUARANTEE. We guarantee our stock to be true to name and as represented. Money refunded if otherwise.

References, Dun's, Bradstreet's, or any bank in the city of Salem.

Wholesale List

OUR 1934 INTRODUCTION

CLARA BARTON

An immense informal decorative facing slightly upwards on a long, straight stem, twelve inches to first set of leaves. Face of petals silvery orchid, reverse of petals deep lavender, general effect lavender; bloom of wonderful substance. Bush growth medium height; a very prolific bloomer that never stunts. Cuttings, each \$2.00; dozen, \$20.00; plants, \$3.35; roots, \$6.65.

SONNY BOY

Our giant old rose slightly striped and tinged old gold informal decorative dahlia that made an excellent record the past year. It grows 11x8 inches, and sometimes over a foot across, in the open field without fertilizer or irrigation. We believe it will grow larger than any other dahlia without fertilizer. It is a hardy variety, insect resisting and makes a good bush of medium height; is a very prolific bloomer; flower stems good. Cuttings, each \$2.00; dozen, \$20.00; plants, \$3.35; roots, \$6.65.

VISIT OUR GARDENS

during blooming season. Here you will see thousands of plants of standard varieties growing in the fields, besides a large number of second- and third-year seedlings.

See our "America's Sweetheart" and "Golden Hoard" growing in their natural state.

We grow ten to twenty thousand new seedlings every year. Come and note the great percentage of high class dahlias our seeds produce.

POMPONS

Little Edith, Mary Munns, Joe Fette, Atom, Gertrude, DeeDee, Yellow Gem, Helen Anita, Aimee, Little David, Little Jewel, Thos. Thumb, or mixed. Cuttings, each, 10c; dozen, 75c.
